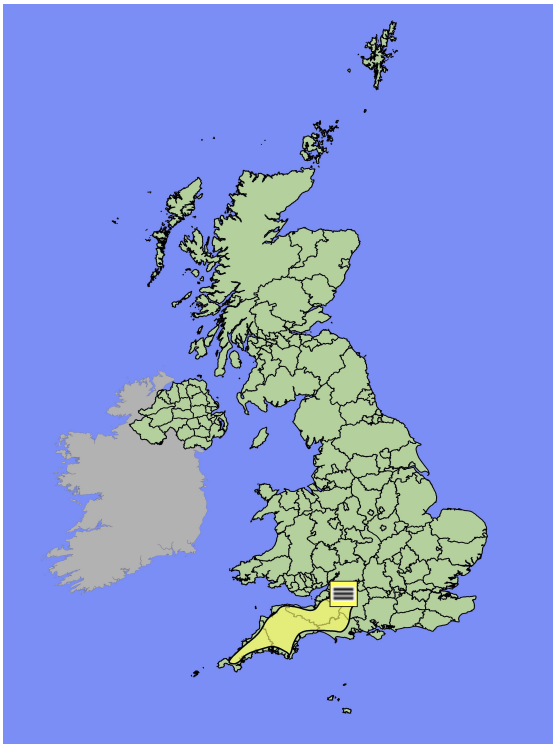
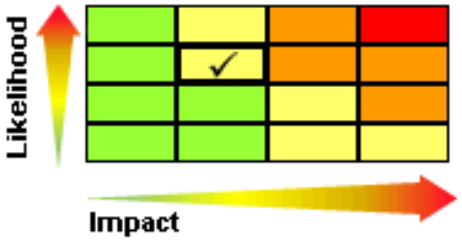
National Severe Weather Warning Service





CANCELLED

Chief Forecasters Assessment
Visibilities of less than 50 metres will affect roads over relatively modest hills across the southwest during Tuesday evening, with some dense patches of fog also developing at lower levels overnight.

The Met Office have issued a **Yellow Warning** of **Fog**

Valid from **20:00 on Tue, 13th Mar 2012** until **10:00 on Wed, 14th Mar 2012**

Areas of dense fog will affect parts of southwest England and the West Country, mainly over hills, but also at lower levels at times. The visibility will fall to below 50 metres in places and as such the the public should take extra care on the roads.
